

3rd Wireless Antennas and Microwave Symposium

Organized by

Raghu Engineering College (A), Visakhapatnam, AP, India

WAMS

2024

29th Feb - 3rd March 2024

Preconference Workshop On

Fundamentals, Analysis, Design, Software, Hardware fabrication, Test & Qualification of
Advanced Antennas for Space, Vehicular and Ground Applications

28th February, 2024 [Time: 9:30 AM to 5:00 PM]

Features Lectures by

DR. SUDHKAR RAO

IEEE Life Fellow, Fellow IETE,
WAMS Life Fellow
CEO & President, RaoS Consultants LLC,
USA

DR. CLENCY LEE-YOW

CTO
Vitesse/ Custom Microwave Inc., USA

DR. NACER CHAHAT

IEEE Fellow, System Engineer,
NASA/JPL, USA

DR. PAOLO FOCARDI

IEEE Senior Member, Senior RF
Microwave Engineer, NASA/JPL, USA

DR. GAURANGI GUPTA

IEEE APS YP Ambassador, Antenna
Engineer, NASA/JPL, USA

ABHISHEK TIWARI

Product Manager for Antenna, RF and
Radar applications at MathWorks.

DR. SHIV NARAYAN

CSIR-National Aerospace
Laboratories (CSIR-NAL), Bangalore

DR. JONATHAN SAUDER

NASA Jet Propulsion Laboratory

DR. CH ANIL KUMAR

Scientist-E, Naval Science and
Technological Laboratory (NSTL),
Visakhapatnam

Venue :

Seminar Hall, Raghu Engineering College
Dakamarri, Visakhapatnam, AP, India

Technical Collaboration

MathWorks®

Accelerating the pace of engineering and science

REGISTRATION
